3.1 Fees. Licensee shall pay to Appriss the fees set forth in Exhibit A. Subject only to the licenses expressly granted in this Agreement, as between Appriss and Licensee, Appriss shall

be the sole owner of all intellectual property rights in and to the Appriss Property, regardless of whether perfected or recognized under applicable law. Third-Party Materials, including any enhancements, modifications, or derivative works, are and shall remain the exclusive property of Appriss' suppliers or licensors. Appriss may utilize all ideas, suggestions and feedback, or the like that Licensee provides to Appriss or otherwise makes with respect to the Appriss Property without any obligation to Licensee. To the extent that Licensee has or later obtains any intellectual property rights in and to the Appriss Property, or any future enhancement or modification thereto or any part thereof, by operation of law or otherwise, Licensee hereby disclaims such rights, and assigns and transfers such rights exclusively to Appriss, and agrees to provide reasonable assistance to Appriss to give effect to such assignment and to protect, enforce and maintain such rights.

4.2 Protection of Confidential Information. Each party may furnish the other party with Confidential Information. Neither party shall (a) directly or indirectly disclose or cause to be disclosed, or otherwise transfer any Confidential Information of the other party to any third party; or (b) utilize Confidential Information for any purpose, except as expressly contemplated by this Agreement, or otherwise authorized in writing by the other party. Each party will limit the disclosure of the other party's Confidential Information, to Affiliates and Employees with a need-to-know and who have been advised of and have agreed in writing to maintain the confidential nature thereof, or third party consultants with a need-to-know and who have been contractually obligated to maintain such confidentiality through signature of a written nondisclosure agreement acknowledging the non-disclosure obligations of this Agreement; provided, however, that Licensee will obtain Appriss' prior written consent before disclosing any Appriss Confidential Information to any third party. Each party shall provide the other party with copies of any such nondisclosure agreements upon written request. Each party shall be liable for any breach by any Employee, Affiliate, or third party consultant of the confidentiality obligations contained herein.

4.3 Required Disclosures. In the event a party is required under applicable law, rule, regulation, court or administrative order to disclose Confidential Information of the other party, the first party shall use commercially reasonable efforts to: (a) give at least ten (10) days prior written notice of such disclosure to the other party; (b) limit such disclosure to the extent possible; and (c) make such disclosure only to the extent so required.

4.4 Return of Information. With the exception of data submitted to the Gateway Service by users, Internet Protocol addresses, and other user-related information, which Appriss will securely retain for System administration and legal purposes following termination of the Agreement, upon termination of this Agreement, the receiving party agrees to promptly deliver to the disclosing party, in a secure and confidential manner, all written materials that are derived from, contain, or reflect any and all Confidential Information (including all copies and reproductions). The disclosing party may elect to authorize receiving party to destroy such written materials, and/or any electronic materials containing Confidential Information, in a secure and confidential manner, in which case the receiving party agrees to provide written confirmation to the disclosing party of its compliance herein.

4.5 De-Identified Data. Upon a reasonable request by Appriss, Licensee agrees to provide aggregated or de-identified data, as defined by the Health Insurance Portability and Accountability Act and its rules, in connection with Licensee or one or more Authorized Users' use of the Gateway Service or Service Information, to the extent such data is tracked or collected by Licensee, in order for Appriss to provide such information to a state, enhance its services, and/or for Appriss' and/or NABP's use for research purposes. For example, Licensee may provide data regarding the number of patients who visited an Authorized User, such as a hospital, practice, prescriber, and/or pharmacy, whose PMP Data was accessed

through the Gateway Service, whether Licensee requires prescribers or dispensers to access the Gateway Service, and/or whether a controlled substance prescription was issued or dispensed to such patients.

5. DISCLAIMER OF WARRANTIES.

APPRISS MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE GATEWAY SERVICE OR THE SERVICE INFORMATION, OR ANY SUPPORT OR OTHER SERVICES PROVIDED BY APPRISS INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT, AND APPRISS EXPRESSLY DISCLAIMS ANY SUCH WARRANTIES. APPRISS DOES NOT WARRANT THAT: (a) THE GATEWAY SERVICE WILL OPERATE UNINTERRUPTED; (b) ALL GATEWAY SERVICE ERRORS CAN BE CORRECTED; (c) THE GATEWAY SERVICE MEETS ALL OF LICENSEE'S BUSINESS REQUIREMENTS; OR (d) THE PMP DATA OR ANALYTICS ARE COMPLETE, ACCURATE OR ERROR-FREE. LICENSEE ACKNOWLEDGES THAT IT HAS ASSESSED FOR ITSELF THE SUITABILITY OF THE GATEWAY SERVICE FOR ITS REQUIREMENTS. LICENSEE ACKNOWLEDGES AND AGREES THAT PMP DATA IS PROVIDED BY THE PMPs. NEITHER APPRISS NOR ITS LICENSORS SHALL HAVE ANY LIABILITY IN THE EVENT THAT A PMP DENIES LICENSEE'S REQUEST TO ACCESS PMP DATA OR REVOKES LICENSEE'S ACCESS TO PMP DATA, OR IF PMP DATA IS UNAVAILABLE FOR ANY REASON. LICENSEE ACCEPTS THE PMP DATA AND ANY PRESCRIPTION HISTORY SERVICES BASED ON THE PMP DATA ON AN "AS IS" "AS AVAILABLE" BASIS.

6. INDEMNIFICATION

6.1 Indemnification by Licensee. Licensee shall indemnify and defend Appriss and NABP, and each of their respective officers, directors, employees, members, contractors, parents, subsidiaries, and affiliates, (the "Appriss Parties") against any third party claim, including costs and reasonable attorneys' fees, in which any of the Appriss Parties are named as a result of: (a) the exercise or practice of any right granted hereunder; (b) the breach of any material term or condition of this Agreement by Licensee, Licensee employees, agents, contractors, or affiliates, Authorized Entities, or Authorized Users; (c) any access or use of the Gateway Service or Service Information by Licensee, any user of Licensee, Licensee Employees, agents, contractors, or affiliates, Authorized Entities, or Authorized Users; (d) any medical services, products or medication offered or sold by Licensee, Licensee Employees, agents, contractors, or affiliates, Authorized Entities, or Authorized Users; (e) any act or omission of negligence or willful misconduct of Licensee or its affiliates; or (f) violations of applicable law or the Requirements by Licensee, Authorized Entities, or Authorized Users, in connection with the performance of this Agreement, including access or use of PMP Data.

6.2 Indemnification by Appriss. Appriss shall indemnify and defend Licensee against any claim brought against Licensee by third parties alleging the use of the Gateway Service: (a) infringes a patent, copyright or trademark registered to the extent Licensee's use of the Gateway Service is consistent with the terms herein; or (b) misappropriates any third party trade secret (collectively, an "Infringement Claim"); provided that (i) Licensee gives Appriss prompt notification in writing of any such Infringement Claim and reasonable assistance, at Appriss' expense, in the defense of such Infringement Claim; and (ii) Appriss has the sole authority to defend or settle such Infringement Claim as long as such settlement shall not include a financial obligation on Licensee. If an Infringement Claim is or, in Appriss' reasonable belief, is likely to be asserted, (a) Appriss may require Licensee to discontinue use of the applicable Gateway Service immediately; and (b) Appriss will, at its sole option, either (i) procure for Licensee the Gateway License Agreement

right to use and exercise its rights with respect to the Gateway Service; (ii) modify the Gateway Service to make it not infringing while retaining substantially similar functionality; or (c) if the remedies set forth in clauses (b)(i) and (b)(ii) are not commercially feasible, as determined by Appriss in its sole discretion, terminate this Agreement or any Order Form, in whole or in part, and pay to Licensee a pro rata refund of any unearned, prepaid fees for the Gateway Service covering the period of time remaining Term of the license during which Licensee was, as a result of Appriss' termination, unable to use the Gateway Service ("Unearned Fees"). THE PROVISIONS OF THIS SECTION STATE THE SOLE, EXCLUSIVE, AND ENTIRE LIABILITY OF APPRISS TO LICENSEE, AND ARE LICENSEE'S SOLE REMEDY WITH RESPECT TO, ANY CLAIM OR ALLEGATION OF INFRINGEMENT OR MISAPPROPRIATION OF ANY THIRD-PARTY INTELLECTUAL PROPERTY RIGHT.

7. LIMITATIONS OF LIABILITY.

7.1 EXCEPT FOR CLAIMS ARISING OUT OF (a) BREACH OF CONFIDENTIALITY; (b) BREACH OF APPRISS INTELLECTUAL PROPERTY RIGHTS; (c) GROSS NEGLIGENCE OR WILLFUL MISCONDUCT; (d) THE PARTIES' INDEMNIFICATION OBLIGATIONS; OR (e) VIOLATIONS OF APPLICABLE LAW OR THE REQUIREMENTS, NEITHER PARTY SHALL BE LIABLE IN ANY AMOUNT FOR SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR INDIRECT DAMAGES, LOSS OF GOODWILL OR BUSINESS PROFITS, WORK STOPPAGE, DATA LOSS, COMPUTER FAILURE OR MALFUNCTION, OR EXEMPLARY OR PUNITIVE DAMAGES, HOWEVER ARISING, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

7.2 EXCEPT FOR CLAIMS ARISING OUT OF (a) BREACH OF CONFIDENTIALITY; (b) BREACH OF APPRISS INTELLECTUAL PROPERTY RIGHTS; (c) GROSS NEGLIGENCE OR WILLFUL MISCONDUCT; (d) THE PARTIES' INDEMNIFICATION OBLIGATIONS; OR (e) VIOLATIONS OF APPLICABLE LAW OR THE REQUIREMENTS, UNDER NO CIRCUMSTANCES SHALL EITHER PARTY BE LIABLE FOR AN AMOUNT OF DAMAGES IN EXCESS OF THE FEES PAID OR PAYABLE BY LICENSEE UNDER THIS AGREEMENT.

7.3 EACH PARTY ACKNOWLEDGES THAT THE FEES REFLECT THE ALLOCATION OF RISK BETWEEN THE PARTIES AND THAT APPRISS WOULD NOT ENTER INTO THIS AGREEMENT WITHOUT THESE LIMITATIONS ON ITS LIABILITY. NOTWITHSTANDING THE FOREGOING, SECTIONS 8.1 AND 8.2 SHALL NOT APPLY TO LIABILITIES THAT CANNOT BE LIMITED BY LAW.

8. TERM AND TERMINATION.

8.1 Term. Licensee's license to use the Gateway Service will commence on the Effective Date and shall remain in effect for the service term set forth in Exhibit A (the "Initial Term"). Thereafter, Licensee's license to use the Gateway Service shall automatically renew for successive one (1) year terms (each, a "Renewal Period"), unless notice of non-renewal is given by either party no less than ninety (90) days before the expiration of the Initial Period or then-current Renewal Period. The Initial Term together with all applicable Renewal Periods shall be the "Term."

8.2 Termination. In addition to any other remedy available to Appriss under this Agreement, either party may terminate this Agreement if the other party commits a material breach and fails to cure such breach within thirty (30) days of receiving written notice from the non-breaching party. This Agreement will automatically terminate in the event that either party becomes insolvent, admits its inability to pay its Gateway License Agreement

debts in writing, or ceases to carry on its business. Termination of a contract between Licensee and a state related to the state PMP or termination of Licensee's access to state PMP Data automatically results in termination of this Agreement without notice and without any penalty to Appriss or obligation of Appriss to refund any fees paid by Licensee.

8.3 Early Termination by Appriss. Licensee acknowledges that the functionality of the Gateway Service depends on Appriss' ability to sufficiently access PMP Data or Third Party Materials. Appriss reserves the right to terminate this Agreement at any time upon 30 days advance notice to Licensee if Third Party Materials needed to provide the Gateway Service become unavailable to Appriss or, in its sole discretion, Appriss determines that the functionality of the Gateway Service is materially impaired due to insufficient availability or unavailability of PMP Data. In the event of such termination by Appriss, Appriss shall refund any Unearned Fees to Licensee.

8.4 Effect of Termination. Upon termination or expiration of this Agreement, (a) all amounts due and owing by Licensee to Appriss under Exhibit A will be immediately payable, and Appriss shall be entitled to retain any and all fees paid by Licensee; (b) use of the Gateway Service will immediately cease; and (c) all of Appriss' obligations concerning such Gateway Service will cease. Within thirty (30) days of the expiration, Licensee shall destroy all copies of the applicable Documentation, any other Confidential Information, whether such Confidential Information is Appriss' or a third party's, and will certify to Appriss that all copies have been destroyed.

8.5 Survival. The terms of this Agreement that, by their nature should survive termination, shall survive termination, including, without limitation, the provisions concerning protection of Confidential Information, Proprietary Rights, Disclaimer of Warranties, Indemnification and Limitations of Liability.

9. GENERAL PROVISIONS.

9.1 Assignment. Neither this Agreement, nor any rights, duties or obligations set forth herein, may be assigned, sublicensed, or otherwise transferred by Licensee, in whole or in part, whether directly or by operation of law, including by way of sale of assets, merger or consolidation, without the prior written consent of Appriss, and any attempt to do so without the express prior written consent of Appriss shall be deemed void. Appriss' consent may be conditioned upon payment by Licensee of a transfer, assignment or other fee, and such condition shall not be deemed unreasonable.

9.2 Right to Injunctive Relief. Licensee acknowledges that Licensee's breach of its obligations with respect to Appriss' proprietary rights will cause irreparable injury to Appriss and will entitle Appriss to seek injunctive or other equitable relief.

9.3 Dispute Resolution Process. Except for claims arising out of the confidentiality obligations hereunder or Appriss' intellectual property rights, neither party will invoke formal dispute resolution procedures other than in accordance with this Section. Any party may give the other party written notice of any dispute not resolved in the normal course of business. Within ten (10) calendar days after delivery of such notice, executives of the parties who have authority to resolve the dispute will meet to attempt to resolve the dispute. If the matter has not been resolved within ten (10) days after the disputing party's notice, or if the executives fail to meet within the ten (10) day period, either party may then seek legal remedies. All negotiations pursuant to this Section will be deemed Confidential Information and treated as compromise and settlement negotiations.

9.4 Third Party Beneficiary. NABP shall be a third party beneficiary to this Agreement and shall have the right to enforce obligations under this Agreement directly against Licensee.

9.5 Independent Contractors. Nothing in this Agreement or in the course of dealing between Appriss and Licensee shall be deemed to create between Appriss and Licensee a partnership, joint venture, association, employment relationship co-ownership or any other relationship other than an independent contractor relationship. Nothing in this Agreement or in the course of dealing between Appriss and Licensee shall be deemed to empower either party to act for, bind or otherwise create or assume any obligation on behalf of the other, and neither party shall hold itself out as entitled to do the same.

9.6 Severability. If any provision of this Agreement is held invalid or unenforceable, the provision shall be deemed modified only to the extent necessary to render it valid or eliminated, as the case may be, and the remainder shall be enforced and construed as if the provision had been included as modified or as if it had not been included, as the case may be.

9.7 Waiver. All waivers must be in writing. Any waiver or failure to enforce any provision of this Agreement on one occasion will not be deemed a waiver on any other occasion or of any other provision.

9.8 Counterparts. This Agreement and Exhibit A may be signed in counterparts, each of which shall be deemed an original and which shall together constitute one instrument.

9.9 Publicity. Appriss shall have the right to identify Licensee as a customer of Appriss as part of Appriss' marketing efforts, including customer lists and press releases.

9.10 Governing Law. This Agreement shall be governed and construed in accordance with the laws of the Commonwealth of Kentucky, without giving effect to its choice of law principles. The parties hereby irrevocably submit to the exclusive jurisdiction of state courts of the Commonwealth of Kentucky located in Jefferson County. The parties hereby acknowledge and agree that the United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement.

9.11 Restricted Rights. The Gateway Service and any accompanying documentation has been developed at private expense and are deemed to be a "commercial item," as that term is defined in 48 C.F.R. 2.101, consisting of "commercial computer software" and "commercial computer software documentation," as such terms are used in 48 C.F.R. 12.212. Use, duplication, and disclosure by civilian agencies of the U.S. Government shall be in accordance with FAR 52.227-19(c) or other agency data rights provisions, as may be applicable. Use, duplication, and disclosure by DOD agencies are subject solely to the terms of this Agreement as stated in DFAR 227.7202. All U.S. Government Users license the Gateway Service with only those rights set forth herein, including, without limitation, the following: with the exception of Third Party Materials, which require the prior written consent of an authorized officer of the individual respective owners, Gateway Service may be transferred to the U.S. government only with the prior written consent of an officer of Appriss and solely as restricted computer software as provided in FAR 52.227-19 or subsequent citation (or DFAR 227-7202 or subsequent citation if the transfer is to a defense-related agency).

9.12 Export Control Notice. Licensee agrees not to disclose, use, export or re-export, directly or indirectly, the Gateway Service, any information provided by Appriss, or the "direct product" thereof as defined in the Export Control Regulations of the United States Department of Commerce, except in compliance with such regulations with a limit of \$1,000,000 per occurrence. Licensee acknowledges its obligation to comply with all applicable export control laws in its use, export or re-export of the Gateway Gateway License Agreement

Service. Licensee shall defend, indemnify, and hold Appriss and its licensors harmless from and against any and all claims, judgments, awards, and costs (including reasonable legal, including attorneys' fees) arising out of Licensee's noncompliance with applicable export laws.

9.13 Notices. All notices or other communications must be in writing and will be deemed to have been duly given (a) when delivered by hand (with written confirmation of receipt); or (b) two (2) calendar days after being deposited for delivery with a nationally recognized overnight delivery service and addressed to the appropriate address set forth on the first page of this Agreement (or to such other address as a party may designate by written notice to the other party). All notices to Appriss shall be addressed to the attention of Appriss' Chief Financial Officer with a copy delivered to Appriss' General Counsel.

9.14 Force Majeure. Other than for payments due, neither party will be liable to the other for any failure or delay in performance due to circumstances beyond the reasonable control of the party seeking protection under the terms of this Force Majeure Section including, without limitation, acts of God, labor disruption, war, terrorist threat, unavailability of PMP Data, unavailability of Third Party Materials, equipment or software malfunction or failure of a general nature (e.g., failure of Windows® Operating System or software, the Internet, or similar type of failure), electrical or communications outages, or government action ("Force Majeure Events"); provided that if either party is unable to perform its obligations for one of the foregoing reasons it shall give prompt written notice thereof to the other party and the time for performance, if any, shall be deemed to be extended for a period equal to the duration of the conditions preventing performance.

9.15 Entire Agreement. This Agreement shall be the complete agreement and understanding between the parties and replace any prior oral or written communications between the parties related thereto, including but not limited to, any additional, conflicting, or inconsistent terms and conditions which may appear on any purchase order or other document furnished by Licensee to Appriss regardless of any statement to the contrary contained in any such purchase order or document. In the event of any conflict or discrepancy between the terms and conditions set forth in Exhibit A and the provisions herein, Exhibit A shall control.

Business Associate Agreement

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA) BUSINESS ASSOCIATE AGREEMENT

This HIPAA Business Associate Agreement (“BAA”) by and between two business associates (“Party” or collectively “Parties”), Appriss and Licensee, in consideration of the mutual promises herein, is effective as of the earlier of the following dates: the Effective Date of the services or license agreement (“Associated Agreement”) or upon the date of commencement of services in which protected health information is acquired, accessed, used or disclosed.

RECITALS and SCOPE

A. Appriss provides services or goods to Licensee under one or more Associated Agreements. Such services or goods may include, without limitation, agreements for information technology, software, products, or professional services, and Protected Health Information, as defined herein, may be disclosed or accessed in connection with such Associated Agreements; and

B. As business associates, Appriss and Licensee desire to comply with the Health Insurance Portability and Accountability Act of 1996 as amended, and its implementing regulations including, but without limitation, the amendments and associated regulations related to the American Recovery and Reinvestment Act of 2009 ("ARRA"), which includes the Health Information Technology for Economic and Clinical Health Act ("HITECH Act") provisions and subsequent HHS regulations, as all of the foregoing may have been or may in the future be amended (collectively, "HIPAA").

NOW THEREFORE, in consideration of the mutual promises, covenants, terms, and conditions herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Definitions.** For purposes of this Agreement, the following terms have the following definitions:
 - (a) **Breach.** The acquisition, access, use, or disclosure of PHI in a manner not permitted under subpart E of 45 CFR part 164 (“Subpart E”) which compromises the security or privacy of the PHI; however,
 - (1) Breach excludes: (i) any unintentional acquisition, access, or use of PHI by a workforce member or person acting under the authority of a Covered Entity or Appriss or Licensee, if such acquisition, access, or use was made in good faith and within the scope of authority and does not result in further use or disclosure in a manner not permitted under Subpart E of this part; (ii) any inadvertent disclosure by a person who is authorized to access PHI at a Covered Entity or Appriss or Licensee to another person authorized to access PHI at the same Covered Entity or Appriss or Licensee, or organized health care arrangement in which the Covered Entity participates, and the information received as a result of such disclosure is not further used or disclosed in a manner not permitted under Subpart E of this part; and (iii) a disclosure of PHI where a Covered Entity or Appriss or Licensee has a good faith belief that an unauthorized person to whom the disclosure was made would not reasonably have been able to retain such information, and (2) except as provided in subparagraph (1) of this definition, an acquisition, access, use, or disclosure of PHI in a manner not permitted under Subpart E

is presumed to be a breach unless the Covered Entity or Appriss or Licensee, as applicable, demonstrates that there is a low probability that the PHI has been compromised based on a risk assessment of at least the following factors: (i) the nature and extent of the PHI involved, including the types of identifiers and the likelihood of re-identification; (ii) the unauthorized person who used the PHI or to whom the disclosure was made; (iii) whether the PHI was actually acquired or viewed; and (iv) the extent to which the risk to the PHI has been mitigated.

- (b) *Business Associate.* As qualified herein, business associate means functioning as a business associate of Covered Entity and/or another business associate pursuant an agreement and as such term is defined under HIPAA and the HIPAA Regulations, including, but not limited to, 45 CFR Section 160.103, as may be amended from time to time.
- (c) *Covered Entity.* "Covered Entity" shall mean an entity functioning as a covered entity under HIPAA and as such term is defined including, but not limited to, under 45 CFR Section 160.103, as may be amended from time to time.
- (d) *HHS Privacy Regulations.* "HHS Privacy Regulations" means HIPAA's implementing regulations (45 Code of Federal Regulations part 160 and part 164, subparts A and E) as such may have been or may in the future be amended.
- (e) *Individual.* "Individual" shall have the same meaning as the term "individual" in 45 CFR 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR 164.502(g), and as may be amended from time to time.
